Sight Word Fun!

Magnetic Letters

1. Choose 5 sight words and ask your child to use magnetic letters to spell the words.
2. After your child has spelled the words, have them read the word aloud and see if they can use it in a sentence.

Playdough Words

1. Using playdough, have your child roll (make "snakes") one letter at a time to spell the sight words.
2. Your child can practice saying the sight word as he/she rolls it.

Matching Game

1. Write one sight word each on two index cards.
2. Turn them all face down and see if your child can choose two words that are the same.
3. If your child can read the matching words, he/she can keep the cards.
4. Continue trying to make matches and read the words.

Rainbow Words

1. Ask your child to say and then draw a sight word on a piece of paper using a pencil.
2. He/She can then go over it many times using a variety of colored pencils, markers or crayons
3. Be Sure that your child is saying the word out loud each time.
