

College Readiness

The College Readiness unit of the Georgia Department of Education works to ensure college and career readiness for all students by providing professional learning and technical assistance to teachers, counselors, and administrators.

- Promote and manage AP Teacher Training Grants, AP Regional One-Day Workshops, and the Rural Initiatives for Pre-AP and Gifted Endorsements.

- Manage a subject-specific network of Georgia AP teachers to share information and promote collaboration throughout the state. Join here: <http://bit.ly/2KIZnBp>
- Manage resources for district and school leaders that provide support and guidance for AP programs.
- Offer technical assistance to high schools such as data analysis of ACT, SAT, PSAT, AP, and IB.
- Provide guidance and assistance that supports the development and successful maintenance of Advanced Placement programs including teaching training, and communication to district leaders, school leaders, and teachers.
