

Alternate Content Standards (ACS) Status Change

Entry/Start Date for ACS Eligibility
Exit/Stop for ACS Eligibility

ACS Eligibility- Start Date

DATE STUDENT BECAME ELIGIBLE FOR ALTERNATE CONTENT STANDARDS = Y

The **DATE STUDENT BECAME ELIGIBLE FOR ALTERNATE CONTENT STANDARDS** indicates the date the student was identified as a student needing alternate content standards (**ALTERNATE CONTENT STANDARDS = 'Y'**). A date would be reported for this year IF the student changed from **ALTERNATE CONTENT STANDARDS = 'N'** to **ALTERNATE CONTENT STANDARDS = 'Y'** from Student Record until FTE1, or between FTE1 and FTE3.

ACS Eligibility- End Date

DATE STUDENT IDENTIFIED NO LONGER ELIGIBLE FOR ALTERNATE CONTENT STANDARDS = N

The **DATE STUDENT IDENTIFIED NO LONGER ELIGIBLE FOR ALTERNATE CONTENT STANDARDS** indicates the date the student no longer qualifies for **ALTERNATE CONTENT STANDARDS**. A date would be reported for this year IF the student changed from **ALTERNATE CONTENT STANDARDS = 'Y'** to **ALTERNATE CONTENT STANDARDS = 'N'** from Student Record until FTE1, or between FTE1 and FTE3.

ACS Date Concern

- The date of the IEP meeting has been reported as the date of the ACS status change
- Often, the actual schedule change is 7-10 days after the meeting allowing LEAs time to provide parents with the required Prior Written Notice before implementing the change.
- This causes teachers to appear to be out of field for the days between the meeting date and the implementation date of that change.

ACS Date Solution

- Moving forward, change the ACS status change dates to be the date the change in the schedule is implemented after the IEP team decision to make this change.
- In GO-IEP, we are currently working on building the embedded IEP PWN. We hope to have this completed by the end of Feb. We will make a revision to how we pull this date at that time.
- Non-GO LEAs will need to train appropriate staff regarding this change.
