Learning Targets

- Trace the evolution of tiered systems
- Understand the two DLT functions
- Consider the communication loop between the two functions of the DLT

The Evolution of Prevention Frameworks

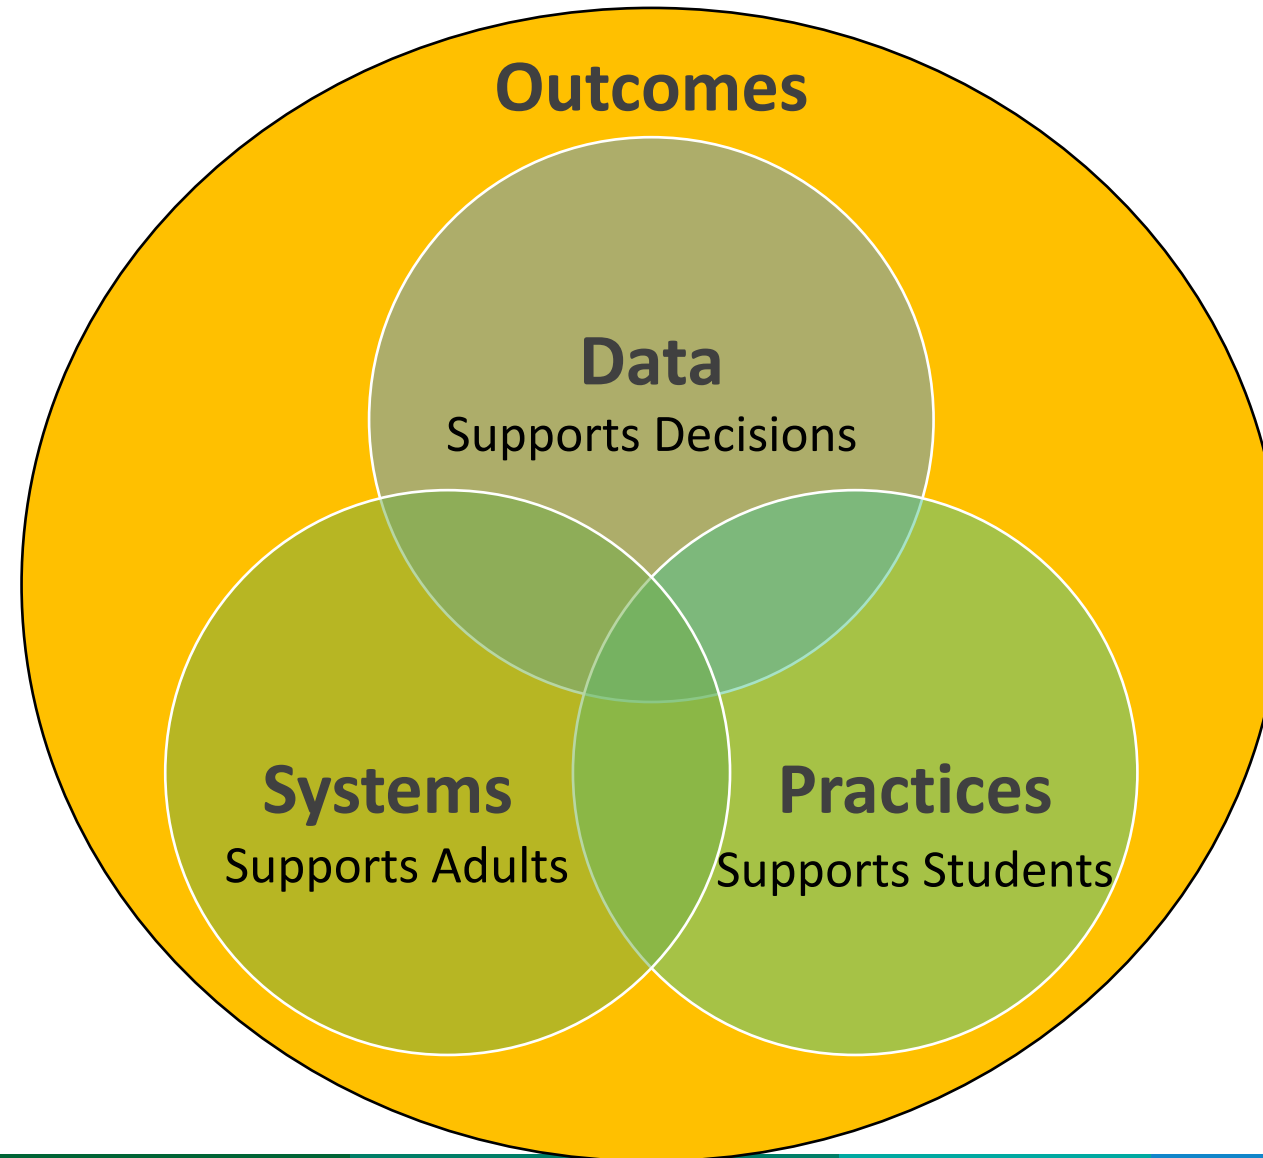

Aligning our Work

	Academic Supports	Wellness Supports
Tier 1- All Students (100%)		
Tier 2- Some Students (10-15%)		
Tier 3- Individual Students (1-5%)		

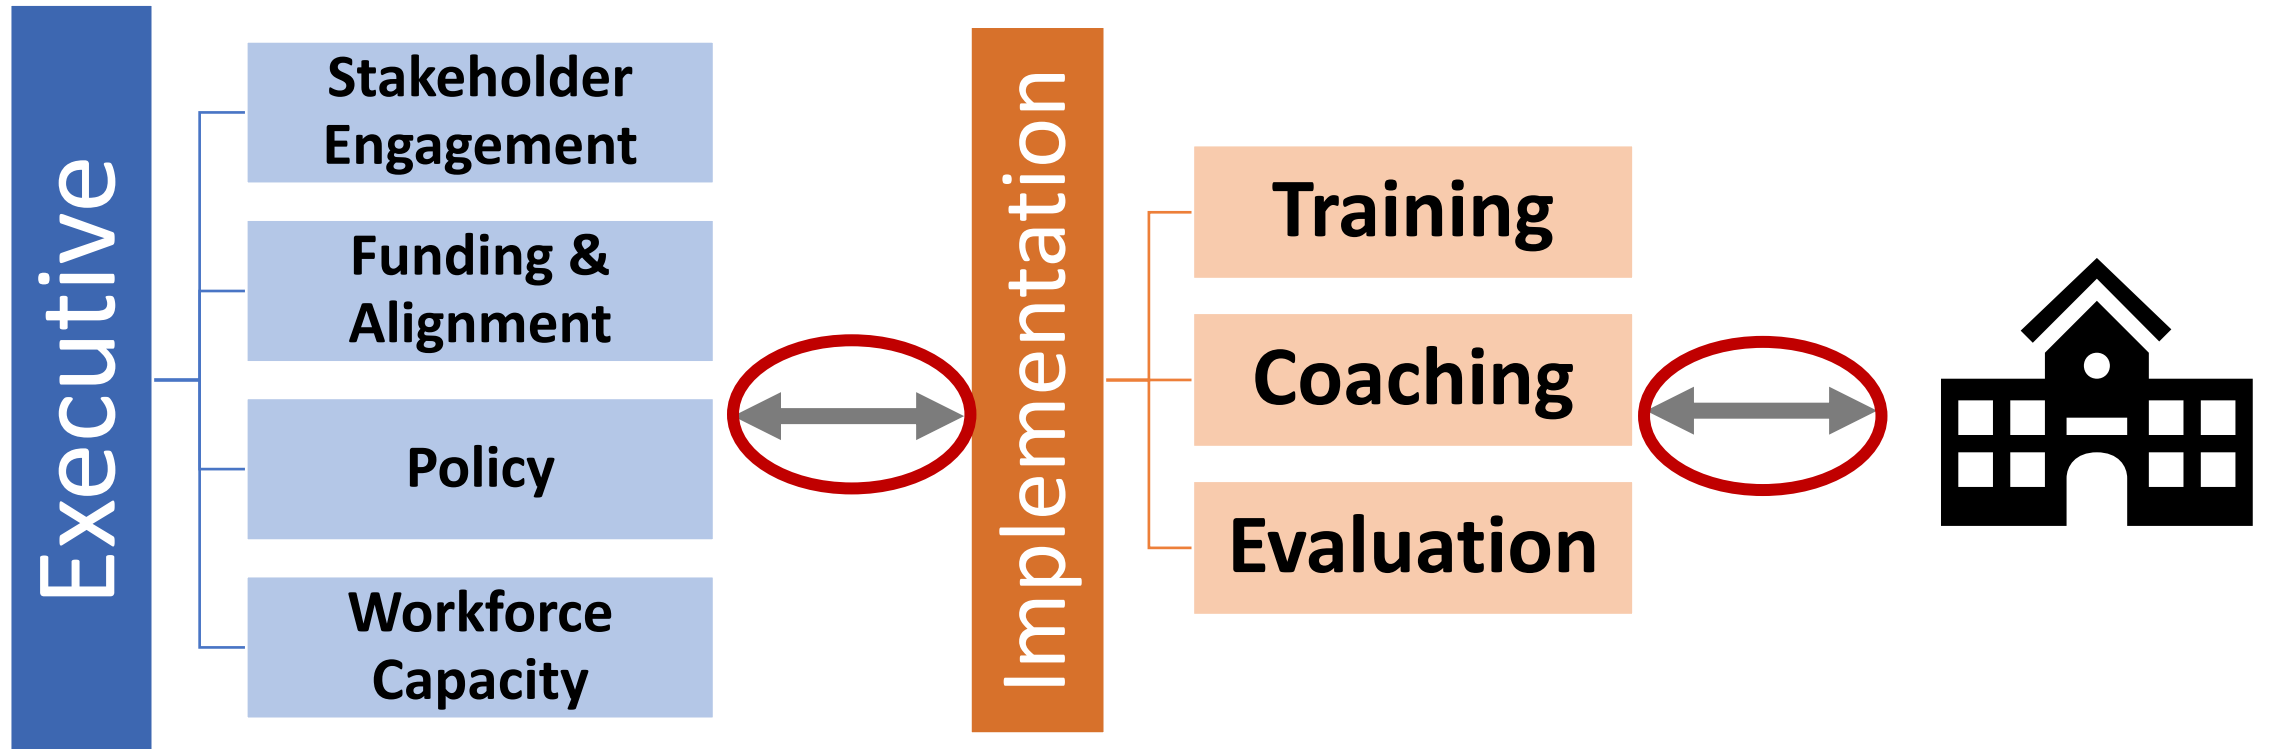

Working Smarter Not Harder

Meetings	Purpose What is the goal in this meeting?	Facilitator	Target Group- Who is involved?	Frequency of Meetings	Is this group like any other group? (Y, N)	Relation to District Improvement Goal (1=low, 3=high)
						1 2 3
						1 2 3
						1 2 3
						1 2 3
						1 2 3
						1 2 3

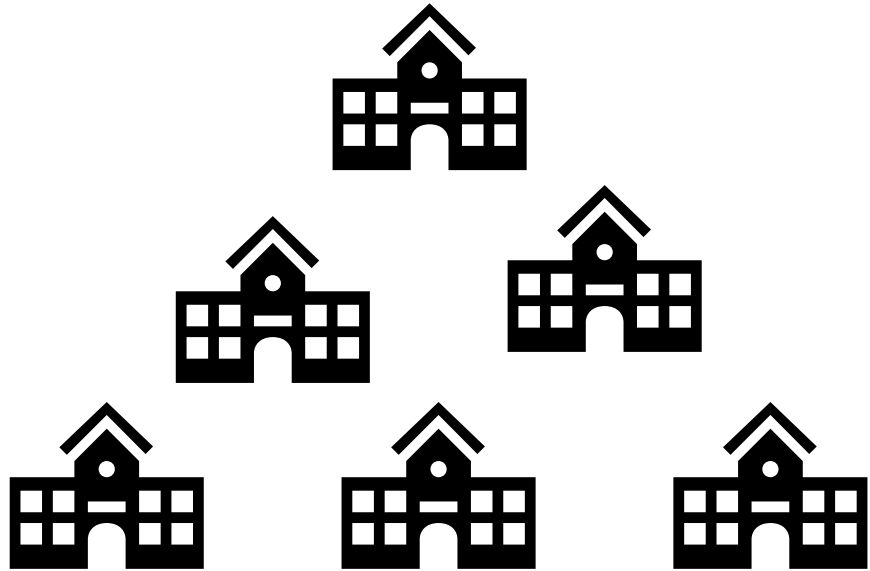

Social Competence & Academic Achievement

District Leadership Team Functions

District Team Purpose

If we are seeing similar needs in many schools...

- identify the practice
- edit & align initiatives
- remove barriers
- build support systems
- measure progress
