- College Contacts
- What's next for Dual Enrollment

# 23 TCSG Colleges

- Albany Tech
- Athens Tech
- Atlanta Tech
- Augusta Tech
- Central Georgia Tech
- Chattahoochee Tech
- Columbus Tech
- Coastal Pines Tech
- Georgia Northwestern Tech
- Georgia Piedmont Tech
- Gwinnett Tech
- Lanier Tech
- Moultrie Tech
- North Georgia Tech
- Oconee Fall Line Tech
- Ogeechee Tech
- Savannah Tech
- South Georgia Tech
- Southeastern Tech
- Southern Crescent Tech
- Southwest Georgia Tech
- West Georgia Tech
- Wiregrass Georgia Tech

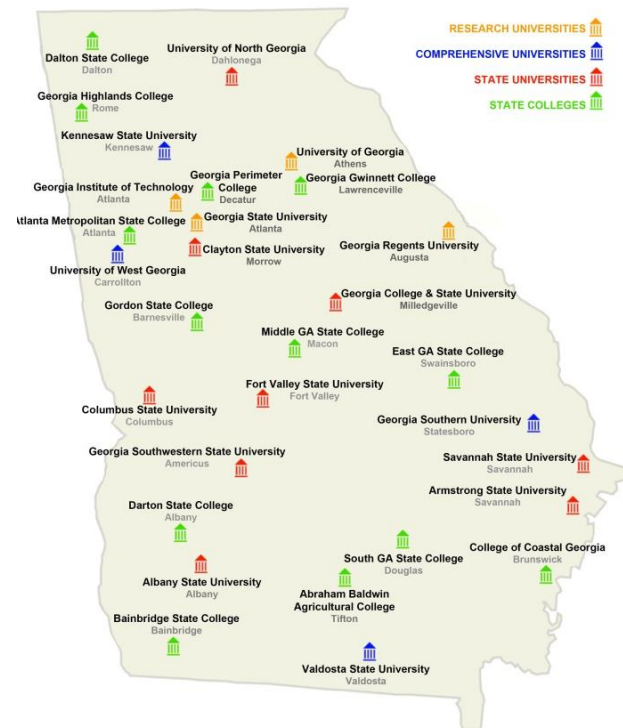

\*July 1, 2015 Moultrie + Southwest= Southern Regional Tech

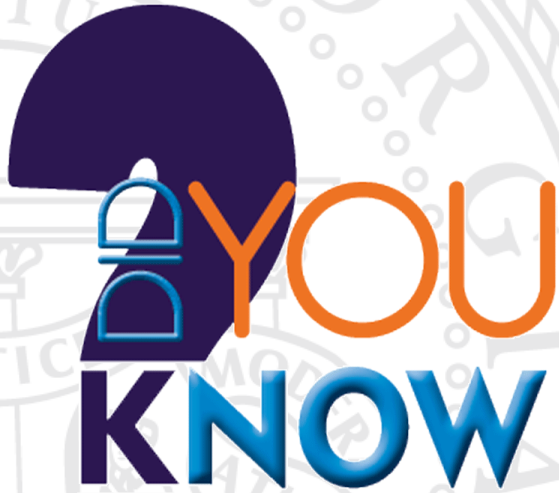

# 30 USG Colleges & Universities

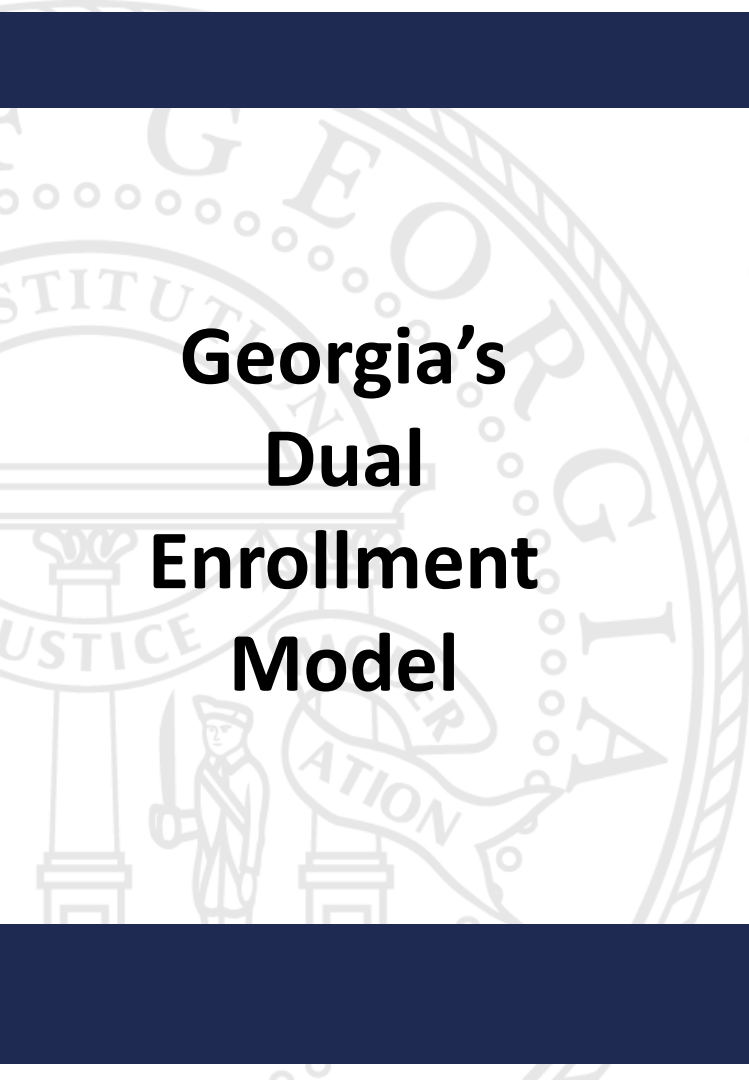

- Abraham Baldwin Agricultural College
- Albany State University
- Armstrong State University
- Atlanta Metropolitan State University
- Bainbridge State College
- Clayton State University
- College of Coastal Georgia
- Columbus State University
- Dalton State College
- Darton State College
- East Georgia State College
- Fort Valley State University
- Georgia College and State University
- Georgia Gwinnett College
- Georgia Highlands College
- Georgia Institute of Technology
- Georgia Perimeter College\*
- Georgia Regents University
- Georgia Southern University
- Georgia Southwestern State University
- Georgia State University\*
- Gordon State College
- Kennesaw State University
- Middle Georgia State College
- Savannah State University
- South Georgia State College
- University of Georgia
- University of North Georgia
- University of West Georgia
- Valdosta State University

\*Fall 2016 – Georgia State University & Georgia Perimeter College consolidation to be finalized

- Georgia is the **eighth-largest state** in the country in terms of public school enrollment!
- For every 10 students who enter high school, fewer than 3 will complete a Bachelor's degree in 10 years.
- 90% of fastest growing and highest paying jobs in America require some **post-secondary education**.

# Georgia's Dual Enrollment Model

---

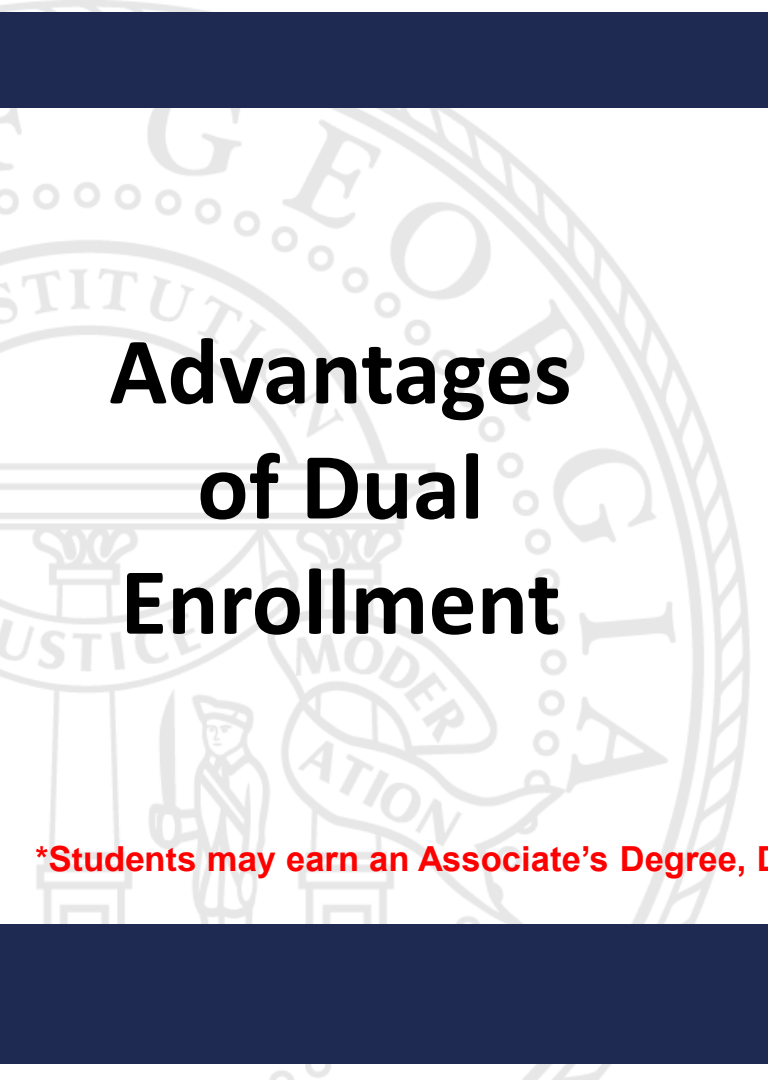

Students receives both high school and college credit simultaneously.

---

Courses can be taught on high school or college campus.

---

Courses taught by college faculty or credentialed high school teachers.

# Advantages of Dual Enrollment

## Increases

- The ease of transitioning from high school to college;
- Likelihood of earning a high school diploma;
- Expanded Course offerings & articulation;
- Confidence for college level rigor;
- Likelihood of college enrollment and completion; and
- GPA one year after high school graduation

## Decreases

- The cost of college;
- Drop out rate; and
- Time to college credential or degree

**\*Students may earn an Associate's Degree, Diploma or Technical Certificate of Credit while still in high school.\***

College & Career Ready Performance Index

CCRPI indicators at the high school level which may be impacted by students who earn credit in dual enrollment courses:

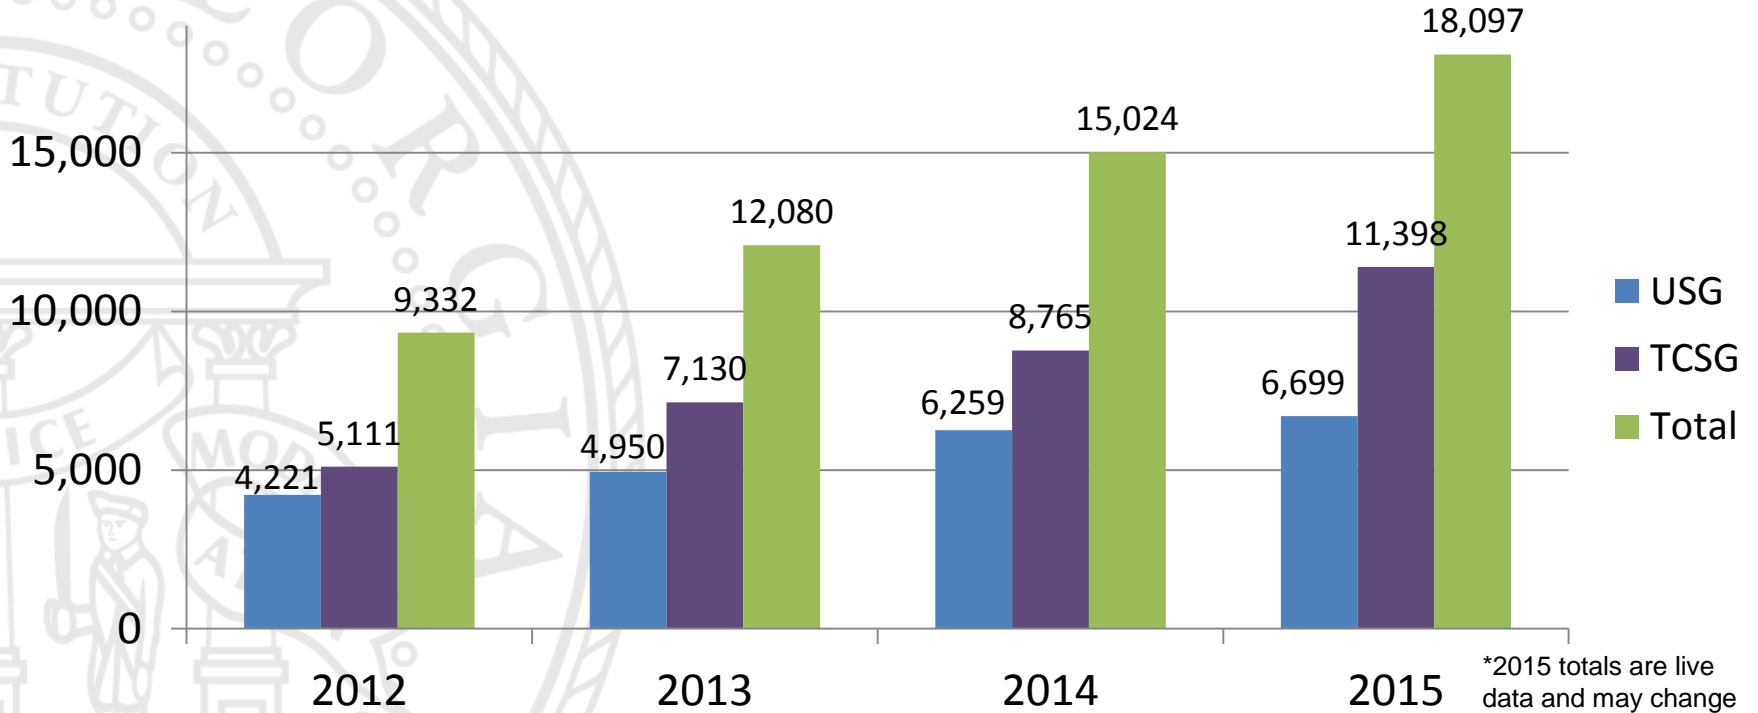

High School Indicators	
9	Percent of graduates completing a CTAE pathway, or an advanced academic pathway, or a fine arts pathway, or a world language pathway within their program of study
12	Percent of graduates earning high school credit(s) for accelerated enrollment via ACCEL, Dual HOPE Grant, Move On When Ready, Early College, Gateway to College, Advanced Placement courses, or International Baccalaureate courses

High School Exceeding the Bar Indicators	
1	Percent of graduates earning credit in a physics course
7	Percent of graduates earning 3 or more high school credits in the same world language (operational in 2013-2014)

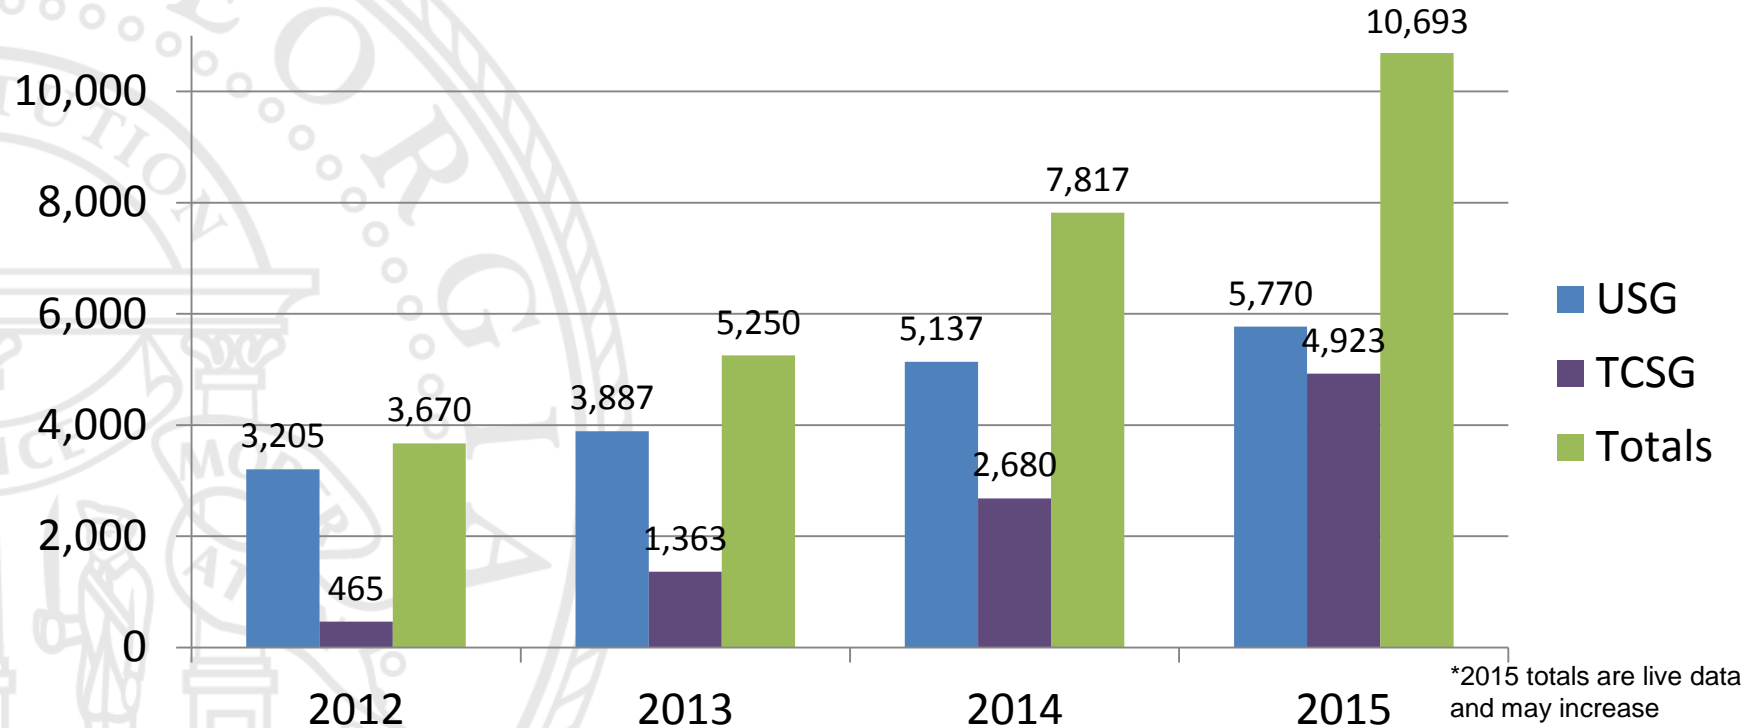

<http://www.gadoe.org/CCRPI/Pages/default.aspx>

# All GA Dual Enrollment Programs

# Accel Enrollment in GA

# College Opportunities for High School Students

## Accel

- Academic courses
- Accel Directory
- PT/FT
- ACCEL (GA residents)
- HS and college credit
- College or HS campus
- 100% tuition
- Not counted against HOPE cap
- HS keeps FTE funding
- Not available in the summer

## HOPE/Dual Credit

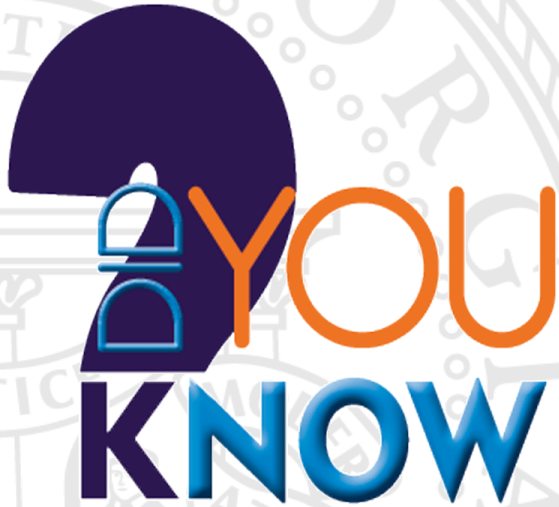

- Career/Tech Ed courses
- HOPE/Dual Credit Matrix
- PT/FT
- HOPE Grant (GA residents)
- HS and college credit
- College or HS campus
- Part tuition paid
- Not counted against HOPE cap
- HS keeps FTE funding
- Not available in the summer

## MOWR

- MOWR List + Accel + DE Matrix
- FT min 12 credit hrs per term
- FTE funding sent to PSI
- HS and college credit
- College campus only
- 100% tuition/fees
- Not counted against HOPE cap
- HS gets \$200 admin fee
- Not available in the summer

## Joint Enrollment

- No set course list or directory
- PT/FT
- College credit only
- College campus only
- Counted against HOPE cap
- Part tuition paid
- Available in the summer

- At most colleges, Accel, HOPE Grant/Dual Credit and Joint can all be taken in the **same term**.
- With the exception of MOWR, students may enroll in **two different** postsecondary institutions in the same term. However a student participating in the **Accel Program** is limited to **15 hours** per term.
- **MOWR** students must be enrolled a minimum of **12 credit hours** per term (an average of 4 courses at 3 credit hours each).

# HOPE Scholarship

## Academic Rigor Requirements

**Class of 2015** – Must have at least two courses from list

**Class of 2016** – Must have at least three courses from list

**Class of 2017** – Must have at least four courses from list

**ACCEL** = Academic rigor courses include dual credit courses in core subjects taken at an Eligible Postsecondary Institution.

HOPE Scholarship Regulations: <http://www.gsfc.org/main/publishing/pdf/2015/2015-HOPE-PUBLIC.pdf>

Rigor list: [http://www.gsfc.org/main/publishing/pdf/2012/Course\\_List.pdf](http://www.gsfc.org/main/publishing/pdf/2012/Course_List.pdf)

# AP & Accel

## AP

Rigorous course content

Standardized exam at cost to the student

Courses result in college credit if sufficient score on exam

Courses taught by high school teachers

Same Rigorous course content as AP courses

No costs for final exam, prepared by the instructor

27 courses are guaranteed to transfer to any state of GA College or University

Courses are live college grades not credit, generates a college transcript.

## Accel

# Course List Update Process

## TCSG

## USG

# MOWR Funding

GADOE determines the amount to be sent to each college for each MOWR student they have enrolled.

The amount is calculated based on an average MOWR student FTE:  
FY15 = \$1295.31 per semester

Colleges must accept the amount as full payment for each MOWR student enrolling full-time (12 hours).  
Any difference between the tuition/fees and the FTE payment is waived.

Some institutions may elect to waive tuition/fees resulting from additional hours/courses.

Example:

ENGL 1101 (3 hours)  
MATH 1111 (3 hours)  
SPAN 1001 (3 hours)  
PHED 1101 (3 hours)  
ART 1010 (3 hours)

High schools receive a \$200 administrative fee per MOWR student.

Example

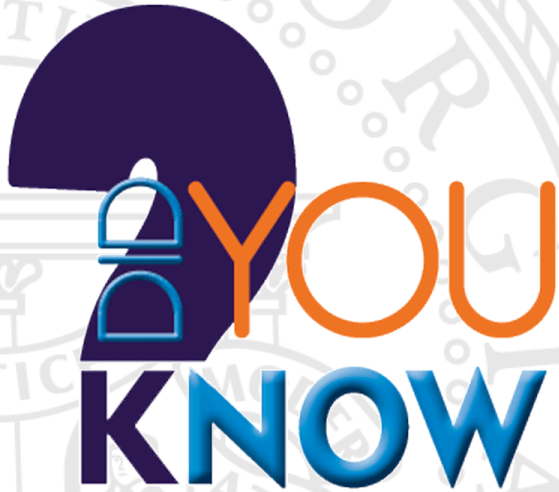

ENGL 1101–English Composition (3 hours)  
MATH 1111–College Algebra (3 hours)  
SPAN 1101–Elementary Spanish (3 hours)  
PHED 1101–Walking/Jogging for Fitness (3 hours)  
**TOTAL = 12 hours**

Example

ENGL 1101–English Composition (3 hours)  
MATH 1111–College Algebra (3 hours)  
SPAN 1101–Elementary Spanish (3 hours)  
BIOL 1111–Biology I (3 hours)+BIOL 1111L (1 hour)  
**TOTAL = 13 hours**

Example

ENGL 1101–English Composition (3 hours)  
MATH 2431–Calculus I (4 hours)  
PHYS 2211K–Principles of Physics I (4 hours)  
PHED 1101–Walking/Jogging for Fitness (3 hours)  
**TOTAL = 14 hours**

- **HOPE Grant** pays a % of a HOPE/Dual Credit student's tuition and \$0 college fees.
- **Accel** pays 100% of tuition but \$0 college fees.
- **MOWR** pays 100% of both tuition and fees.

# 27 Courses Guaranteed!

## TCSG & USG Statewide Articulation Agreement

# Dual Enrollment Admission Requirements

## TCSG

COMPASS, ASSET, ACT or SAT placement scores vary per program

On-track for HS Graduation

Submission of college application, Accel/Dual HOPE Credit application, signed parental permission form

Verification of lawful presence requirement applies to any student requesting to be classified as “in-state”. Students must be able to provide appropriate residency documentation

## USG

Minimum 970 combined SAT CR/Math OR 20 ACT Composite

Minimum 3.0 cumulative HS GPA (17 RHSC units)

On-track for HS graduation and RHSC completion

Exemption of all Learning Support requirements

Verification of lawful presence requirement applies to any student requesting to be classified as “in-state” and any student applying to:

Georgia College & State University  
Georgia Institute of Technology  
Georgia Regents University  
Georgia State University  
University of Georgia

# Residency

## **O.C.G.A. 20-3-66**

Students under the age of 24 are eligible to be classified as in-state if their parent has established and maintained domicile in Georgia for at least 12 consecutive months immediately preceding the first day of classes for the term and:

- The student has graduated (or will graduate) from a Georgia high school; or,
- The parent claimed the student as a dependent on the parent's most recent federal or state income tax return.

Students may also be classified as in-state based on their U.S. court-appointed legal guardian provided that guardian has established and maintained domicile in Georgia for at least 12 consecutive months immediately preceding the first day of classes for the term and the guardianship was not appointed to avoid the payment of out-of-state tuition.

Lawful permanent residents, refugees, asylees, & other eligible noncitizens as defined by federal Title IV regulations may be extended the same consideration as U.S. citizens in determining whether they qualify for in-state classification.

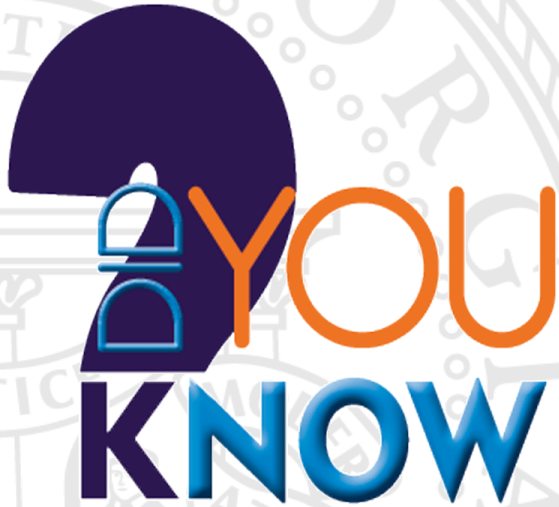

The Federal Student Aid Handbook published by the U.S. Department of Education defines those categories of non-citizens considered "other eligible noncitizens".

Student meets with HS counselor  
Student makes contact with college  
Student applies to college  
Student meets admit requirements  
Student is accepted  
Student advisement and/or orientation  
Student registers  
First day of classes  
Last day of drop/add\*  
Mid-Term  
Final exams  
College transcript generated  
Grades sent to high school

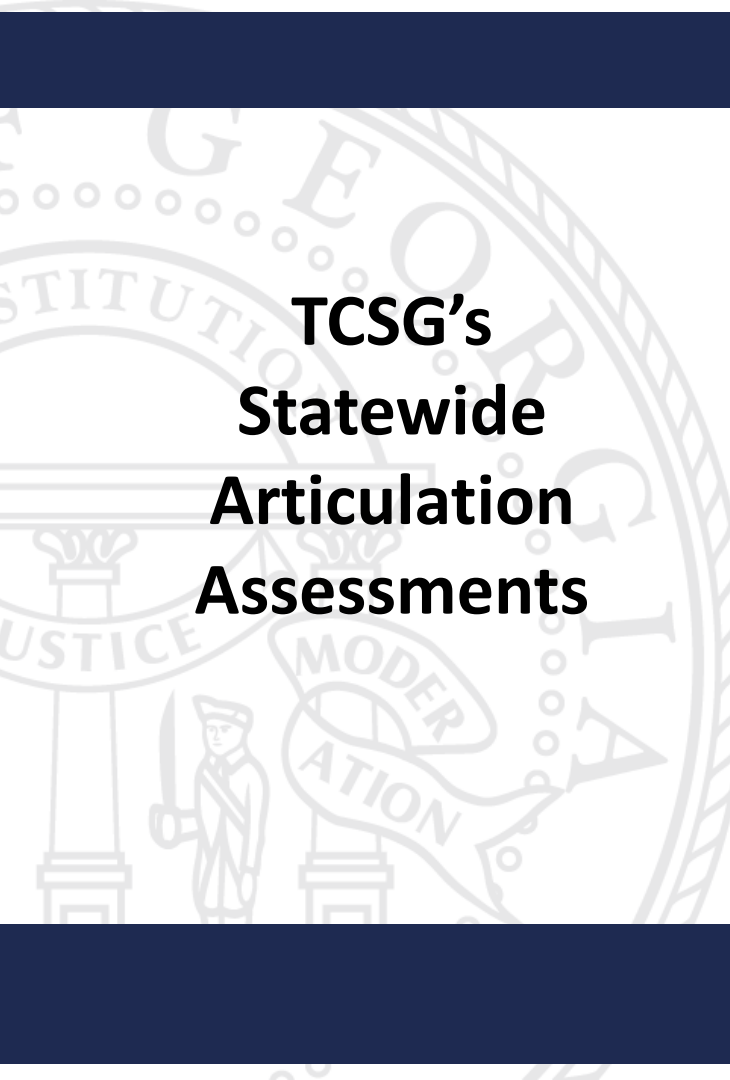

## Sample DE Timeline

*Note: Exact timeline will vary by high school and college*

*\* Note: After Drop/Add period, MOWR students who withdraw from a course are still considered full time by the college*

- 27 Courses are **guaranteed to transfer** from TCSG colleges to USG colleges/universities.
- 22 states have adopted policies **guaranteeing** that dual-enrollment credits be accepted by colleges, up from 15 in 2008.
- Research shows that **male and low income students** participating in dual enrollment out-perform those that don't participate.

[LEARN MORE >](#)

### High School Students Earn College Credit

College Credit Now offers several programs for high school students to earn college credit.

[LEARN MORE >](#)

## High School Students - Earn College Credit Now

### Attend a Local College While in High School

#### Accel

The Accel program is for students at eligible high schools that wish to take college level coursework for credit towards both high school and college graduation requirements. Eligible students must meet certain criteria, explained below. The program is offered during the fall, winter, and spring terms of the school year.

#### Joint Enrollment

Students can begin their college career early by taking college courses in addition to attending high school.

### Attend a High School/College Sponsored Program

#### Advanced Academy of Georgia

This Academy is an early admission residential program at the University of West Georgia and is open to gifted, talented, and motivated students.

#### Early College

Early College targets students traditionally underrepresented in postsecondary education: high poverty, minority, first generation college goers, with a goal of completing one to two years of transferable college credit prior to graduating from high school.

### Accel Program Courses

Find Accel program-approved high school courses and college course equivalences.

[LEARN MORE »](#)

### Peach State Pathways

Pathways help you plan your high school courses, post-secondary path and career options.

[LEARN MORE »](#)

GATRACS is partnership of Georgia's educational organizations whose mission is to make course transfer information available and to all Georgia citizens through an Online web portal.

[LEARN MORE »](#)

### Move On When Ready (MOWR)

Courses taken at a local college can allow a student to earn both college credit and a high school diploma. Students can begin their college career early and receive both a high school diploma and college credit.

### Articulated Credit (Advanced Technical College Credit)

Through Articulated Credit, local school systems and their area technical colleges have articulation agreements that provide for specified high school course(s) to count as college credits leading to a technical college certificate, diploma or degree. Without the repetition of coursework already mastered in high school, recent high school graduates can achieve a more seamless transition to a TCSG (technical) college, graduate faster and enter their careers sooner.

### Gateway to College

Located exclusively on Georgia Perimeter College and Savannah Technical College campuses. It identifies drop outs or high risk high school students who have the potential to graduate to earn a diploma or dual enrollment credit in a college.

### Georgia Academy of Aviation, Mathematics, Engineering and Science (GAMES)

This Academy is an early admission residential program at Middle Georgia College and is open to gifted, talented, and motivated students.

### Georgia Career Academies

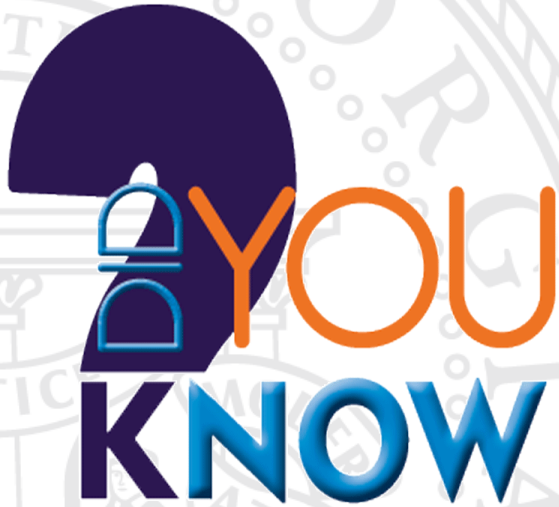

Courses taken at a Career Academy may result in both high school and technical college credit or may give the student a head start on the pursuit of a technical certificate or diploma.

### Youth Apprenticeship Program (on the job training for the workforce)

Participating students receive an education that is both academically challenging and relevant to employment in today's economy. The program enables a student to receive a high school diploma, a post-secondary certificate or degree, and certification of industry-recognized competencies applicable to employment in a high-skilled occupation.

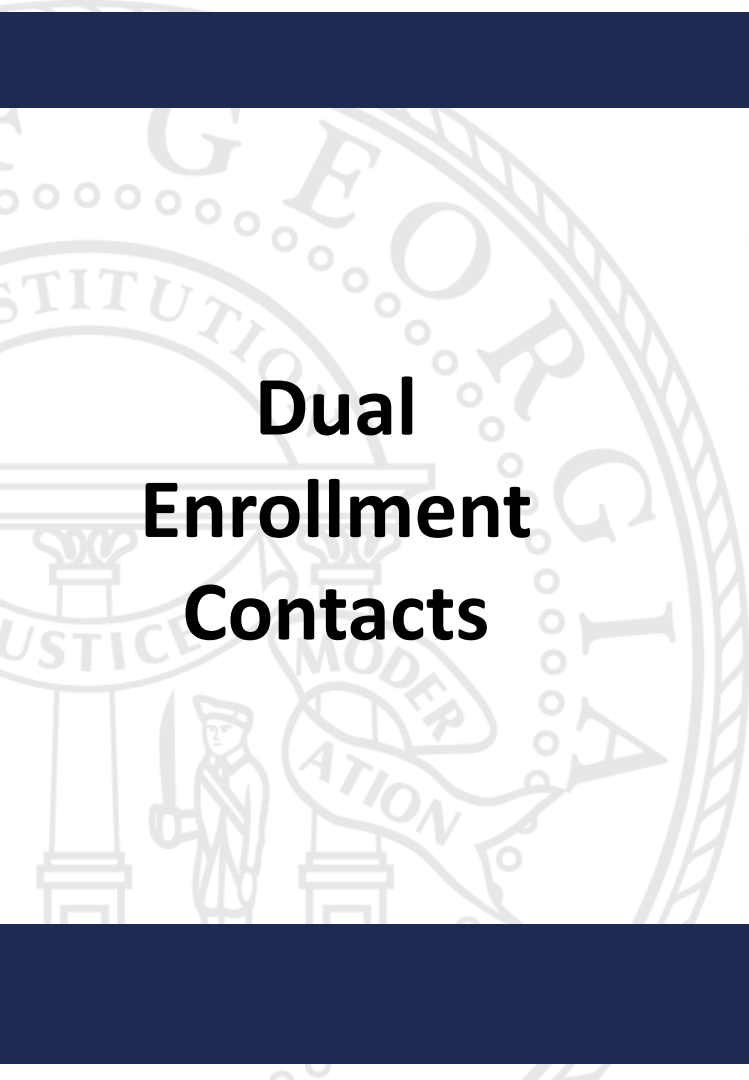

GATRACS  
suggestions?

[gatracs@usg.edu](mailto:gatracs@usg.edu)

- Students can take DE courses offered **online**.
- **Tutoring** is available on almost all college campuses. Many institutions use early alert systems.
- High school students can enroll in college courses in the summer through **joint enrollment** (college credit only). Course credit hours will count against the HOPE cap.

**Dual Enrolment = Student Success!**

## Dual Enrollment Contacts

---

Each college has at least one. Titles may vary per college.

---

Work closely with the high schools to implement dual enrollment programs

---

Assists high school students with enrollment and course completion process

---
