

Georgia Department of Education

2005 Title I Committee of Practitioners Guidelines

Membership:

Section 1903 No Child Left Behind

1. Representatives from local school districts (majority of members)
2. Administrators, including the administrators of federal programs
3. Teachers, including vocational educators
4. Parents
5. Members of local school boards
6. Representative of private school children
7. Pupil services personnel

DOE Recommendation

8. DOE Title I Representative
9. DOE School Improvement Representative

Duties:

Section 1903 No Child Left Behind

(Duties are related to the implementation of Title I of NCLB)

1. The duties of the committee shall include a review, before publication, of any proposed or final state rule or regulation. In an emergency situation where such rule or regulation must be issued with a very limited time to assist local school districts with the operation of the program under Title I, the Department may issue a regulation without prior consultation, but shall immediately thereafter convene the state committee of practitioners to review the emergency regulation before issuance in final form.

DOE Recommendation

2. Advise the Department on other pertinent issues related to Title I.

Term Limits:

DOE Recommendation

1. Members will be nominated for one, two, or three years by the Office of Teacher and Student Support (TSS).
2. Final approval will be made by the State Board of Education.
3. Nominations for vacated terms will be sent to the State Board of Education by June 30 of each year for approval.
4. Vacated terms will be replaced with individuals from similar representative groups.

Meeting Schedule:

DOE Recommendation

1. Membership shall convene once every January, April, and July. Membership may determine the need to postpone or convene meetings as needed.
2. The Title I Program Manager shall act as the Executive Secretary and shall develop meeting agendas with input from membership and maintain, at the DOE, documentation of all meetings, agendas, and other pertinent data.
