# Introduction to Disproportionality

**SELDA** 

RDA Unit- Disproportionality Team
Alicia Mercer
Bridget Still

10/20/2021

# **Temperature Check**

#### slido

On a scale 1-5, rate your temperature for your understanding of Disproportionality!

# **Learning Targets**

#### **Define**

Participants will be able to define disproportionality.

#### **Investigate**

Participants will be able to investigate sources of disproportionality and data.

#### **Examine**

Participants will be able to examine each area of disproportionality.

#### **Explore**

Participants will be able to explore the outcomes of disproportionality.

# Let's take a Closer Look

# Federal Requirements

OSERS
Office of Special Education and Rehabilitative Services

Individuals with
Disabilities Education
Act (IDEA) section 618
(D)

"Requires States to collect and examine data to determine if significant disproportionality based on race and ethnicity is occurring in the State and the local educational agencies (LEAs) of the State."

# Federal Requirements

OSERS
Office of Special Education and Rehabilitative Services

Individuals with Disabilities Education Act (IDEA) section 618 (D)

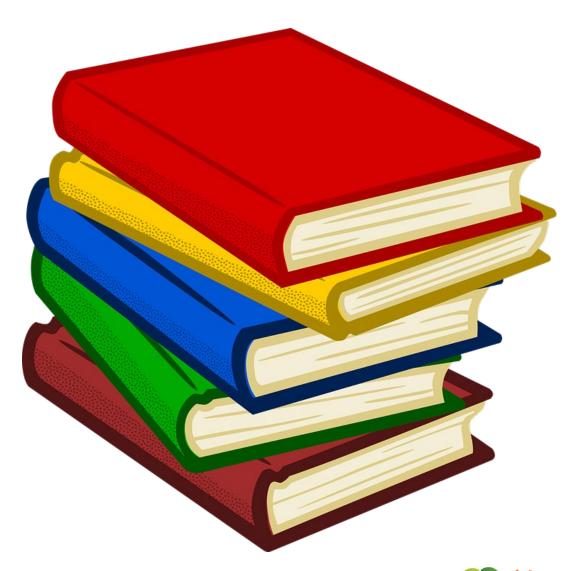

Significant Disproportionality areas:

- 1. IDENTIFICATION,
- 2. PLACEMENT, and
- 3. DISCIPLINE

Federal Regulation for Significant Disproportionality		
Federal Regulation	Georgia's Implementation	
Categories: Identification, Placement & Discipline	Categories: Identification, Placement & Discipline	
Methodology is Risk Ratio: Threshold of 3.0, Minimum Cell size, numerator: 10; Minimum N-Size (denominator): 30	Methodology is Risk Ratio: Threshold of 3.0, Minimum Cell size, numerator: 10; Minimum N-Size (denominator): 30	
Alternate Risk Ratio when comparison group is too small (Cell < 10, N < 30)	Alternate Risk Ratio when comparison group is too small (Cell < 10, N < 30)	
SWD ages: 3-21 for Discipline and Identification SWD Grades: K-12 for Disproportionate Representation-Identification SWD ages: 6-21 for Placement	SWD ages: 3-21 for Discipline and Identification SWD Grades: K-12 for Disproportionate Representation-Identification SWD ages: 6-21 for Placement	
<b>Discipline:</b> Total Disciplinary Removals and individual calculations of ISS and OSS by length of removal (5 separate measures)	<b>Discipline</b> : Total Disciplinary Removals and individual calculations of ISS and OSS by length of removal (5 separate measures)	
Identification: SWD, 6 specific categories	Identification: SWD, 6 specific categories	
<b>Placement</b> , 2 categories: 1.) < 40% in general education setting, 2.) separate settings	<b>Placement,</b> 2 categories: 1.) < 40% in general education setting, 2.) separate settings	
CCEIS (Comprehensive CEIS): 15% of IDEA funds for students with & without disabilities ages 3-21	CCEIS: 15% of IDEA funds for students with & without disabilities ages 3-21	

DEFINITION

# What is Disproportionality?

According to <a href="https://www.webster.com">www.webster.com</a>.... being out of proportion

#### Another definition is...

Differences – or "gaps" – in a variety of educational factors and outcomes that excessively impact certain racial/ethnic\* groups of students with disabilities compared to their peers of other racial/ethnic groups.

# Significant Disproportionality in Georgia

"...when districts identify, place outside the regular classroom, or discipline children from any racial or ethnic group at markedly higher rates than their peers."

#### Significant Disproportionality

- Risk Ratio of 3.0 ≥ for 3 years
  - IDENTIFICATION
  - PLACEMENT
  - DISCIPLINE

#### \*Fiscal Requirement

U.S. Department of Education, Press Office. (2016, February 23). U.S. Department of Education Takes Action to Deliver Equity for Students with Disabilities [Press release]. Retrieved May 1, 2019, from <a href="https://www.ed.gov/news/press-releases/us-department-education-takes-action-deliver-equity-students-disabilities">https://www.ed.gov/news/press-releases/us-department-education-takes-action-deliver-equity-students-disabilities</a>. ED Data Demonstrates Need to Address Widespread Disparities in Special Education.

# Additional Types of Disproportionality in Georgia

- Disproportionate Representation (Identification)
  - Risk Ratio 3.0 ≥ for 2 years
    - Indicator 9
    - Indicator 10

- Significant Discrepancy (Discipline)
  - Rate Ratio 2.0 ≥ for 2 years compared to state
    - Indicator 4a
    - Indicator 4b
- No Fiscal Requirement

#### slido

# Which SPP/APR indicators report Disproportionate Representation?

(i) Start presenting to display the poll results on this slide.

**AREAS OF DISPROPORTIONALITY** 

# **IDENTIFICATION**

# Disproportionality Breakdown

IDENTIFICATION	
	IDENTIFICATION AREAS
SIGNIFICANT DISPROPORTIONALITY 3-year categories	Significant Disproportionality in Identification - All
3-year categories (Ages 3-21)	Significant Disproportionality in Identification - Specific Disability Categories
ADDITIONAL AREAS 2-year categories  (Grades K-12)	Disproportionate Representation – All
	Disproportionate Representation- Specific Disability Categories

# **General Overview of Disproportionality**

## <u>Disproportionality – IDENTIFICATION</u>

This occurs when:

1) One racial/ethnic subgroup has a demonstrated higher risk of being *identified as students with disabilities* when compared to students from all other racial/ethnic subgroups.

or

- 2) One racial/ethnic subgroup has a demonstrated higher risk of being *identified as having a specific disability* as defined by the *Individuals* with Disabilities Education Act (IDEA) when compared to students from all other racial/ethnic subgroups.
  - Intellectual Disabilities (all 4 levels)
  - Emotional Behavioral Disorder
  - Other Health Impairments

- Specific Learning Disabilities
- Speech or Language Impairments
- Autism

# Significant Disproportionality

- Identification Disproportionality calculations report the representation of students with disabilities in the district
  - a) All Disabilities
  - b) Specific Disability Categories

Risk Ratio of ≥ 3.0 for <u>3 consecutive years</u>

# Disproportionate Representation

#### SPP/APR - Indicators 9 and 10

- Identification Disproportionality calculations report the representation of students with disabilities in the district
  - a) 9 –All Disabilities
  - b) 10 Specific Disability Categories

Risk Ratio of ≥ 3.0 for 2 consecutive years

## Similarities & Differences

IDENTIFICATION		
	Significant Disproportionality	Disproportionate Representation
Identification of SWD	<b>Ø</b>	<b>Ø</b>
Risk Ratio ≥ 3.0 for 3 consecutive years	<b>⊘</b>	
Risk Ratio ≥ 3.0 for 2 consecutive years		
Federal Regulation Requirement		
Federal Fiscal Requirement		
Included on SPP/APR		<b>Ø</b>
State Requirement- Compliance Review		<b>Ø</b>
Data includes SWD ages 3-21		
Data includes SWD grades K-12		0

## **Data and Resources**

#### **Data Source-Identification**

- FTE1 Child Count in October (Primary Area of Disability)
  - FT042: Special Education Enrollment by Race/Ethnicity -Ages 6-21
  - FT043: Special Education Enrollment by Race/Ethnicity -Ages 3-5

### State Rule(s)-Identification

- Child Find
- Evaluations and Reevaluations
- Eligibility Determinations

# Check your Knowledge

What data is used to determine Significant Disproportionality in the area of IDENTIFICATION?

#### FTE1 Child Count-October

For Significant Disproportionality, 2 years of data is used. True/False False

Which 2 indicators on the SPP/APR are Disproportionate Representation?

Indicator 9, Indicator 10

# PLACEMENT

# **General Overview of Disproportionality**

### <u>Significant Disproportionality – PLACEMENT</u>

This occurs when one racial/ethnic subgroup has a demonstrated higher risk of receiving special education and related services *in a particular environment* when compared to students with disabilities from all other racial/ethnic subgroups.

# Disproportionality Breakdown

PLACEMENT	
SIGNIFICANT DISPROPORTIONALITY 3-year categories	Placement AREAS
	Regular class < 40% of the day
	Separate Settings
ADDITIONAL AREAS  2-year categories	NONE

# **Categories of Analysis**

## **Placement:**

### Separate Settings includes environments

- Private Separate School more than 50% of the school day in private separate day school facilities at public expense
- Public Residential more than 50% of school day in public residential facilities
- Public Separate School more than 50% of the school day in public separate day-school facilities;
- Private Residential more than 50% of school day in private residential facilities at public expense

## **Data and Resources**

#### **Data Source-Placement**

- FTE1 Count in October (Special Education Environment Code & Primary Area of Disability)
  - FT020 Special Ed. Environment Grades K-12 (previously ages 6-21)

#### **State Rule-Placement**

Least Restrictive Environment

# **Check Your Knowledge**

What data is used to determine Significant disproportionality in the area of PLACEMENT?

#### **FTE1 Child Count-October**

Which state rules are used in compliance reviews for significant disproportionality in PLACEMENT?

### **Least Restrictive Environment (LRE)**

In regard to PLACEMENT, which two settings are used in the disproportionality determinations?

- Regular class < 40% of the day and
- Separate Setting

# DISCIPLINE

# Disproportionality Breakdown

DISCIPLINE	
	Discipline Areas
SIGNIFICANT DISPROPORTIONALITY  3-year categories (Ages 3-21)	Total Disciplinary Removals
	ISS > 10 Days
	OSS > 10 Days
	ISS ≤ 10 Days
	OSS ≤ 10 Days
ADDITIONAL AREAS	Significant Discrepancy- SWD (Indicator 4a)
2-year categories (Ages 3-21)	Significant Discrepancy – Race/Ethnicity (Indicator 4b)

# **General Overview of Disproportionality**

#### <u>Significant Disproportionality – DISCIPLINE</u>

This occurs when:

 One racial/ethnic subgroup has a demonstrated higher risk in the total number of disciplinary removals when compared to students with disabilities from all other racial/ethnic subgroups,

or

 One racial/ethnic subgroup has a demonstrated higher risk of a *specific disciplinary removal* when compared to students with disabilities from all other racial/ethnic subgroups.

# **Categories of Analysis**

## Discipline:

- SWD ages 3 21, Total Disciplinary Removals:
  - ISS, OSS, expulsions, removals by school personnel to an interim alternative education setting, and removals by a hearing officer
- SWD ages 3 21, ISS and OSS,  $\leq$  10 days, > 10 days
  - Four Discrete Calculations
    - ISS ≤ 10 days
    - ISS > 10 days
    - OSS ≤ 10 days
    - OSS > 10 days

# Significant Disproportionality

Discipline Disproportionality calculations report the representation of students with disabilities in the district

- a) Total disciplinary removals
- b) Specific disciplinary removals
  - ISS ≤ 10 days
  - ISS > 10 days
  - OSS ≤ 10 days
  - OSS > 10 days

Risk Ratio of ≥ 3.0 for <u>3 consecutive years</u>

# Significant Discrepancy

#### Indicator 4a and 4b

- Measuring the rate at which a district suspends SWD GREATER THAN 10 DAYS as compared to the state's rate of OSS > 10 days
  - 4a –ALL SWD
  - 4b –SWD by each race/ethnic category
- Significant Discrepancy if Rate Ratio of ≥ 2.0 for 2 consecutive years

## **Data and Resources**

#### Data Source-Discipline

- Student Record reported for the previous fiscal year
  - DIS090 Suspensions with the Same Date and Days
  - DIS092 Possible Duplicated Safety Records
  - DIS095 OSS Greater than 10 days w/out Services
  - DIS097 SWD System Totals by Discipline Action
  - SE055 Primary Area by EL, Hispanic, Race, and Gender

#### State Rules-Discipline

Discipline

# Similarities & Differences

DISCIPLINE		
	Significant Disproportionality	Significant Discrepancy
Discipline of SWD (ages 3-21)	<b>⊘</b>	<b>Ø</b>
Risk Ratio ≥ 3.0 for 3 consecutive years		1
Federal Regulation Requirement	<b>⊘</b>	-1
Federal Fiscal Requirement (Mandate?)		1
Included on SPP/APR	-1	<b>Ø</b>
State Requirement- Compliance Review		<b>Ø</b>
Examines only OSS > 10 Days		<b>Ø</b>
ALWAYS compared to State data		<b>Ø</b>

# **Check Your Knowledge**

What data is used to determine Significant Disproportionality in the area of DISCIPLINE?

Student Record from Previous Fiscal Year

Which state rules are used in compliance reviews for Significant Disproportionality in DISCIPLINE?

Discipline State Rule

## **IMPLICATIONS**

#### State Review of Data for LEA

State makes determination of LEAs with significant disproportionality

Identification

**Placement** 

Discipline

#### Disproportionate LEAs MUST complete the following tasks:

Complete the disproportionality self-assessment of policies, practices and procedures and submit to GaDOE

If non-complaint policies, practice and/or procedures led to the disproportionality, LEA must correct all findings within one years of being notified

Reserve 15 percent of its Part B funds to provide Comprehensive Coordinated Early Intervening Services (CCEIS) to serve children in the LEA

# CEIS (Voluntary)

VS

# CCEIS (Mandatory)

- Both voluntary CEIS and CCEIS are important for identifying and addressing behavior and learning difficulties early.
- Both CEIS and CCEIS should help ensure at-risk students are disciplined, placed and identified properly.

# Regulatory Requirements-CCEIS

# Comprehensive Coordinated Early Intervening Services(CCEIS) Mandatory

Age/Grade Level	Age 3 through grade 12
Groups Served	Children who are not currently identified as need special education or related services but who need additional academic and behavioral support to succeed in a general education environment.
	Children currently identified as need special education or related services (funds can be used primarily, but no exclusively, for this group).
Budget	Exactly 15 percent of IDEA Part B funds
Permitted Activities	Professional development and educational and behavioral evaluations, services, and supports.
	The activities must address factors and policy, practice, or procedures contributing to significant disproportionality.

## Regulatory Requirements-CEIS

# Coordinated Early Intervening Services (CEIS) Voluntary

Voluntary	
Age/Grade Level	Kindergarten through grade 12
Groups Served	ONLY children not currently identified as needing special education or related services
Budget	Up to 15 percent of IDEA Part B funds (voluntary)
Permitted Activities	Professional development for teachers and other school staff to enable such personnel to deliver scientifically based academic and behavioral interventions, including scientifically based literacy instruction and, where appropriate, instruction on the use of adaptive and instructional software.
	Educational and behavioral evaluations, services, and supports, including scientifically based literacy instruction.

# Check your Knowledge

 Must spend 15% of IDEA Part B Budget and from carry over from prior year:

#### **CCEIS**

 Can include both children not identified as needing special education or related services and children identified as having a disability:

#### **CCEIS**

 ONLY children not currently identified as needing special education or related services:

#### **CEIS**
