

## Lexile Report

## View Lexile Reports by Grade Level Achievement Band

 Log into SLDS to open your dashboard and click the Lexile tile.

2. Grade Level Lexile bands will populate based on the grade level of the students assigned to the teacher (available to Grade 4 to Grade 12 teachers).

	2019-2020 Active	2019-2020 Inactive	2018-2019
Statewide Test R	esults		
	Classroom Lexile	Additional Inte Lexies	imation about
Current Grade	Classroom Lexile Perform	ance	
<u>09</u>	33% 50% 17%	< 1050 1155 - 1260 1050 - 1154 > 1260	
10	11% 13% 43% 32%	< 1080 1155 - 1335 1080 - 1154 > 1335	
11	41% 22% 13% 24%	< 1185 1185 - 1284 > 1385	
12	14% 18% 14% 55%	< 1165 1285 - 1385 1185 - 1284 > 1385	

 Click an available grade level Lexile range (red = below grade level, gold = lower end of Proficiency range, green = higher end of Proficiency range, pale gold = above grade level) to generate a report for students at that proficiency and grade level.

4. The report generated will reflect the grade level and Lexile level clicked on. Note that the Lexile report defaults to alphabetical order..

## Notes 1 Notes 1

 The Lexile information can be sorted by student name, demographics or Lexile level by clicking on the up/down arrows next to each category.
